1. What is the **7th multiple** of 12? _____

2. What is the **2nd multiple** of 10? _____

3. What is the **8th multiple** of 9? _____

4. What is the **9th multiple** of 7? _____

5. What is the **8th multiple** of 7? _____

6. What is the **7th multiple** of 4? _____

7. What is the **5th multiple** of 8? _____

8. What is the **3rd multiple** of 11? _____

9. What is the **2nd multiple** of 8? _____

10. What is the **8th multiple** of 3? _____

11. What is the **9th multiple** of 6? _____

12. What is the **9th multiple** of 2? _____

13. What is the **2nd multiple** of 11? _____

- 14.** What is the **8th multiple** of 6? _____
- 15.** What is the **4th multiple** of 8? _____
- 16.** What is the **2nd multiple** of 3? _____
- 17.** What is the **5th multiple** of 6? _____
- 18.** What is the **3rd multiple** of 5? _____
- 19.** What is the **3rd multiple** of 3? _____
- 20.** What is the **3rd multiple** of 9? _____
- 21.** What is the **2nd multiple** of 2? _____
- 22.** What is the **2nd multiple** of 7? _____
- 23.** What is the **4th multiple** of 11? _____
- 24.** What is the **9th multiple** of 4? _____
- 25.** What is the **9th multiple** of 9? _____
- 26.** What is the **4th multiple** of 7? _____
- 27.** What is the **2nd multiple** of 9? _____
- 28.** What is the **3rd multiple** of 12? _____
- 29.** What is the **2nd multiple** of 4? _____
-

- 30.** What is the **6th multiple** of 8? _____
- 31.** What is the **7th multiple** of 5? _____
- 32.** What is the **4th multiple** of 3? _____
- 33.** What is the **4th multiple** of 2? _____
- 34.** What is the **8th multiple** of 5? _____
- 35.** What is the **3rd multiple** of 8? _____
- 36.** What is the **5th multiple** of 4? _____
- 37.** What is the **8th multiple** of 12? _____
- 38.** What is the **7th multiple** of 8? _____
- 39.** What is the **9th multiple** of 8? _____
